**1** We clawed, we chained our hearts in vain  
We jumped, never asking why  
We kissed, I fell under your spell  
A love no one could deny

**Pre1** Don't you ever say I just walked away  
I will always want you  
I can't live a lie, running for my life  
I will always want you

**R1** I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was wreck me  
Yeah, you, you wreck me

**2** I put you high up in the sky (Ah)  
And now, you're not coming down  
It slowly turned, you let me burn  
And now, we're ashes on the ground

**Pre2** Don't you ever say I just walked away  
I will always want you  
I can't live a lie, running for my life  
I will always want you [attacca]

**R2** I came in like a wrecking ball  
I never hit so hard in love  
All I wanted was to break your walls  
All you ever did was wreck me

*I came in like a wrecking ball*  
Yeah, I just closed my eyes and swung (Yeah)  
Left me crashing in a blazing fall  
All you ever did was wreck me

Yeah, you, you wrecked me

**B** I never meant to start a war  
I just wanted you to let me in  
And instead of using force  
I guess I should've let you win  
I never meant to start a war  
I just wanted you to let me in [ritardando]  
I guess I should've let you win

**V.S.**

**Pre3** Don't you ever say I just walked away      *[a tempo]*

**R3** I came in like a wrecking ball

All I wanted was to break your walls  
All you ever did was wreck me      *[Drum Fill]*
