

FIREFLIES

Owl City (Adam Young)

JuKiRo

unterstrichen = zweistimmig

kursiv = Stimme 2

- 1** You would not believe your eyes
If ten million fireflies
Lit up the world as I fell asleep
'Cause they fill the open air
And leave teardrops everywhere
You'd think me rude but I would just stand and stare
- CH 1** I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems
- 2** 'Cause I'd get a thousand hugs
From ten thousand lightning bugs
As they tried to teach me how to dance
A foxtrot above my head
A sock hop beneath my bed
A disco ball is just hanging by a thread
- CH 2** I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems *when I fall asleep*
- B** Leave my door open just a crack
- Please take me away from here
'Cause I feel like such an insomniac
- Please take me away from here
Why do I tire of counting sheep?
- Please take me away from here
When I'm far too tired to fall asleep
- 3** To ten million fireflies
I'm weird 'cause I hate goodbyes
I got misty eyes as they said farewell
But I'll know where several are
If my dreams get real bizarre
'Cause I saved a few and I keep them in a jar
- CH 3** I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
'Cause everything is never as it seems *when I fall asleep* **(2x)**
- CH 4** I'd like to make myself believe that planet Earth turns slowly
It's hard to say that I'd rather stay awake when I'm asleep
Because my dreams are bursting at the seams
